Build awareness for Career and Technical Education, Marketing and Cooperative Education, and Missouri DECA in the State Capitol by attending the Missouri ACTE Legislative Day on February 8, 2006.

Students and advisors will have the opportunity to schedule appointments with their representatives and senators to explain the benefits of our program. They can also attend House and Senate sessions, tour the Capitol, and network with members from across the state.

This is an excellent opportunity to experience state government and encourage activism and professionalism. DECA members are required to wear their DECA blazers throughout the day.
